

# **CUSTER COUNTY COMMUNITIES INTERNET SPEED TEST**

## **INVITATION FOR PUBLIC PARTICIPATION**

The Town of Silver Cliff Trustees, Town of Westcliffe Trustees and the Custer County Commissioners are coordinating efforts to bring faster internet speed availability for all households and businesses. We are requesting volunteers to participate by testing their current internet speeds and reporting the information.

### **To Participate in the Speed Test Click on the following link:**

[www.broadbandnow.com/speedtest](http://www.broadbandnow.com/speedtest) - Then click on the **Start Speed Test** button

Once the test has finished please write down and report the following data:

1. The download speed and upload speed
2. Name of internet service provider (to your home or business, NOT cell phone)
3. Location of internet connection: home, business, farm, ranch, Town or County

### **To Complete the Survey Send the Results of Your Speed Test To:**

bill@custercountygov.com

Thank you in advance for your participation in this speed test survey. Your assistance will provide vital data that will help establish federal funding eligibility to bring faster internet speeds to all end users in Custer County Communities.
